1 Post 16 Provision

The Education and Skills Act 2008, states that young people are required to stay in education, training or enter employment until they are 18.

When making decisions about which course, school or college to attend parents/students must consider:

- the different modes of transport available to them
- the timings for arrival and departure
- how much it will cost them?

There is no automatic entitlement to home to school or college transport once a student is over 16 even if free transport has been provided in the past.

Dorset Council is committed to supporting Young People in accessing Post 16 education and training and in addition have put the following provision in place to support this.

1.1 School Sixth Form Transport

All School Transport into Mainstream Dorset Schools that have 6th Form provision is provided by independent bus companies.

If you wish to purchase a seat on one of these services, you are required to contact the bus company directly. The availability and charges are at the discretion of the relevant bus companies.

School	Contractor	Contact Details
The Blandford School Ferndown Upper School Queen Elizabeth School Lytchett Minster School The Purbeck School Shaftesbury School The Thomas Hardy School Allenbourn Middle School Dorchester Middle School Ferndown Middle School St Michaels Middle School West Moors Middle School	Go South Coast (operating as Morebus and Damory)	01202 338420 http://passes.gosouthcoast.co.uk/

Sturminster Newton School	Vale Coaches	01963 363000 valecoaches@gmail.com
Gillingham School The Gryphon School	South West Coaches	01935 475872 Schools@southwestcoaches.co.uk
Budmouth College	Public Services provided by First Bus	0871 200 2233 www.firstgroup.com

1.2 Bursary Scheme

Each School and FE College has a Mandatory Post 16 Bursary (16-18) scheme. Eligibility for accessing these bursaries is managed by the individual schools. Some schools also provide other forms of support for Post 16 students to assist access to their place of learning.

**Please contact the school or college directly for further information and charges.
PLEASE SEE APPENDIX A or B**

There is also further information on the Bursary Scheme through the following website:
<https://www.gov.uk/guidance/advice-for-young-people-16-to-19-bursary-fund-guide>

1.3 FE College Transport

Colleges have transport routes available to help students access their course. It is important to contact the college to find out what is available and apply to them directly as soon as possible to ensure that transport is available for the start of the course.

Those attending Post 16 FE provision may also apply for a seat under the Surplus Seat Travel Scheme, if there are routes that wholly or partially assist a young person in accessing their Post 16 place and they fulfil the criteria set out in Section 3. They may also qualify for further assistance under Section 2.

Contact the college to find out if there is any support available for transport from the 16-19 Bursary. **PLEASE SEE APPENDIX B**

1.4 Apprenticeships and Traineeships

If a young person is looking to engage with an Apprenticeship or Traineeship, it is essential they talk to the Learning Provider who will be able to inform them of any transport assistance that may be available. Employers and Learning Providers should take into account a young

person's transport arrangements when planning any off the job training, particularly outside normal working hours. **PLEASE SEE APPENDIX B**

If you are studying a traineeship you are also eligible for the 16-19 Bursary Scheme.

1.5 Public Transport

Some local public transport operators have concessionary fares/discount schemes for students.

Transport Operator	Telephone	Website	Special arrangements for students
First Great Western	08457 000 125	www.firstgreatwestern.co.uk	16-25 railcard
Damory /Morebus	01202 338420	www.morebus.co.uk	passes.gosouthcoast.co.uk
First Group	0871 200 2233	www.firstgroup.com	Contact Bus Operator
Transdev (Yellow Bus)	01202 636110	www.bybus.co.uk	Contact Bus Operator
South Western Railway	03456000650	www.southwesternrailway.com	16-25 railcard

There are some situations where a young person travelling on public transport may be entitled to a free bus pass for off peak travel if they have a disability. Details are available at www.dorsetforyou.gov.uk/travel-dorset/bus/national-bus-pass-concessionary-travel

2 Travel assistance for students aged 16-18 with Special Educational Needs, Disabilities or Compelling Medical Circumstances

2.1 Criteria for additional support

Young people aged between 16-18 and fulfilling the criteria set out in Section 3 may also be provided with additional support when:

- A professional assessment clearly indicates that a young person would not be able to access existing public transport routes to a place of learning because of their SEN or disability, and meet the qualifying criteria.

- A young person is within the 3 mile distance criteria of a school but a professional assessment clearly indicates that a young person would not be able to access to their place of learning because of their SEND or disability.

2.2 Supplementary information

Types of assistance that may be provided are:

- PTB's – Personal Travel Budgets
- Contract Bus/Council Fleet
- Mini Bus
- Taxi
- Vehicle used by other Council directorates
- Fuel contribution, if it is shown to be a cost effective solution (Families should be prepared to use their own vehicle where there are no suitable or appropriate alternative arrangements in place). The rate paid to families, is for the shortest available driven route only (45p per mile x return journey/s). There is an additional allowance of 10p per mile for those with EHCP's.

2.3 The Terms and Conditions

Provision of dedicated transport is subject to the following conditions:

- Assisted transport will only be provided for one inward and one outward journey to/from college at the beginning and end of the college day. This may not be according to the start and finish of the timetable day.
- Assisted transport will only be provided between the same pick up/drop off points each day. If other destinations are required this will be parent/carer preference which they will have to organise and pay for.
- Transport is not provided for induction or taster days or work experience.
- If students move outside of the Dorset Council area part way through their course, transport assistance will cease and they must apply to their new Local Authority for assistance.
- The Council expects students to travel by public transport where it is available. Independent Travel Training may enable students to progress to using buses and/or trains. Please contact the school or college who may be able to access limited funds through Dorset Council to support this activity.
- Students who travel on contract bus routes or taxi with other students, have no choice as to the time for outward or return journeys.

2.4 Application process

Applications for transport assistance must be received by the SEN Team, Dorset Council, County Hall, Dorchester, DT1 1XJ, by 31 May prior to the start of the course. A young person must re-apply for transport for each year of study.

2.5 Charges and Contributions

All young people will contribute towards the cost of transport. For 2024/2025, Dorset Council has set this amount at £900.

If the family is on Maximum Working Credits or the student is entitled to free school meals, this will be reduced by 50%, consistent with the overall Post 16 Transport provision. (See **Section 3**)

In exceptional circumstances, the eligibility criteria with regard to 'live over 3 miles from their nearest and/or appropriate school/college' may be dis-applied for a young person with significant disability and/or mobility need and the contribution would be reduced by 50%.

3 Post 16 Reduced Rates for the Surplus Seat Travel Scheme

Dorset Council is committed to supporting families in accessing Post 16 education and has in addition set up the Local Authority 16+ Assistance Scheme whereby a Post 16 student can qualify for a 50% reduction in the cost of their travel pass (those passes provided by the OSOO Contractors) or a 50% reduction in the £900 contribution towards transport provided by Dorset Council.

50% reduction is not available on public transport routes or rail.

In order to qualify for assistance under the Local Authority 16+ assistance scheme **all students** must meet **each of** the following criteria:

- Be resident in the Dorset Council area
 - Be under 19 on 31 August immediately preceding the start of the academic year or up to 25 if a Section 139a/Education, Health and Care Plan highlights transport is a necessity
 - Live over 3 miles from their nearest and/or appropriate school/college
 - Be in full time education (16 hours or more over 3+ days per week)
- AND**
- Families are in receipt of Maximum Working Tax Credit/ Universal Credit, or the student is entitled to Free School Meals
- OR**
- The student had a compelling medical circumstance prior to post 16 which attracted transport support and a case is made for it to continue (applies to nearest

school/college only and supporting evidence from the appropriate Medical Officer will always be required)

OR

- The student has a compelling medical circumstance that arises during post 16 education (applies to nearest school/college only and supporting evidence from the appropriate Medical Officer will always be required).

Supplementary information:

- Assisted transport is only available for one inward and one outward journey to/from school/college at the beginning and end of the school/college day. This may not be according to the start and finish of the timetable day.
- Assisted transport will only be provided between the same pick up/drop off points each day. If other destinations are required this will be parent/carer preference which they will have to organise and pay for.
- Transport is not provided for induction or taster days or work experience.
- If students move outside of the Dorset Council area part way through their course they must apply to their new Local Authority for assistance.

4 Regulations Affecting Surplus Seats

Please note, at the time of updating this policy, it is the Government's intention to enforce the Public Service Vehicle Accessibility Regulations (PSVAR) on all routes carrying paying passengers. In the context of school transport, this means surplus seat pass holders.

This will require that all paying passengers must travel on a vehicle that has suitable access for passengers with disabilities – eg low floors or wheelchair lifts. As many vehicles used on school routes, such as older coaches, do not comply with these regulations, this will mean that they cannot be used to carry paying surplus seat pass holders. This will apply to all local authorities in England, not just Dorset Council.

However, it will not affect those pupils who are currently eligible for free school transport or surplus seat holders travelling on low-floor public service buses, PSVAR-compliant coaches or smaller vehicles such as minibuses and taxis.

This is likely to have some impact on school transport operators during the 2023/24 academic year and could potentially limit the future availability of surplus seats as a result. It is unclear at the time of writing this policy what the scale and timing of this impact will be.

5 Post 19 Transport

Under Section 508F Education Act 1996 where a Local Authority considers it necessary for a young person between 19-25 to have travel assistance (Section 139a/Education, Health and Care Plans so highlights) in order to access an education institution or training, then the LA is required to provide free travel assistance.

6 General Terms and Conditions

6.1 When can a travel pass (public transport) or OSOO Seat be used?

- If travelling on coaches or other contract transport arrangements, which do not involve season tickets, there will be no choice over the outward or return journey details.
- If travelling with a season ticket these are usually available for use between designated stops and journeys and at an agreed time, morning and afternoon.
- Some bus operators have introduced a fare card system which allows travel in the evening and at weekends at a reduced cost. Check with your school/college or local bus operator.
- Opportunities for tickets, which can be used across transport providers, are not generally available.

6.2 Out of Dorset Council Area Colleges which are beyond daily travel distances

If you are attending a college that is a considerable distance away from the Dorset Council area you should enquire directly to the college about transport support arrangements. Further details can be found at: <https://www.gov.uk/grant-bursary-adult-learners>

6.3 Complaints

Please refer to 5.1 in the Home to School Transport Policy for the complaints procedure.

6.4 Consultation

The Home to School Transport Policy and the Post 16 Transport Support Policy will be reviewed on an annual basis to reflect the changes to costs associated with SSTS fares. If further changes are required Dorset Council will consult with young people and their parents through the consultation pages contained on Dorset for You.

6.5 References

Please refer to other sections within the Dorset Home to School Transport Policy for further information on:

- 2.1 Methods of Transport
- 2.2 Journey Times
- 2.3 Pickup and Drop off Points
- 2.5 Personal Luggage
- 3.1 Advice for Parents
- 3.2 Advice for Children
- 5.1 Complaints
- 5.2 Transport Appeals.
