Dear Sirs

WILDLIFE AND COUNTRYSIDE ACT 1981

T339 - Application for a definitive map and statement modification order to upgrade Bridleway 8 (part), Cheselbourne and Bridleway 18, Dewlish to Byway Open to all Traffic.

T353 - Application for a definitive map and statement modification order to upgrade Bridleway 14, Beaminster, to a Byway open to all Traffic.

T354 - Application for a definitive map and statement modification order to upgrade Bridleways 17 (Part), 35 and Crabb's Barn Lane, Beaminster, to a Byway Open to all Traffic.

Your applications to modify the definitive map and statement have now been considered by the Regulatory Committee.

Their decisions were that:

1. Application T339 should be accepted and an order made.
2. Application T353 should be refused and no order made.
3. Application T354 should be accepted in part and an order made to record the route as shown between points C and I on drawing 18/13 as a byway open to all traffic.

The minutes will be available for viewing soon (approximately two weeks following the Committee) on the County Council's website: <http://www.dorsetforyou.com/countycommittees> Click the link for the Regulatory Committee from the list and then click on the "Browse meetings agendas for this Committee" link.

The County Council will publish Orders reflecting these decisions in due course and you will be sent copies. Notices will also be erected on site and appear in the press. If there are no objections the Orders can be confirmed and the paths recorded on the definitive map and statement of rights of way. However, if there are objections the matters will be referred to the Secretary of State for determination, either by written representations, public hearing or public inquiry.

If you wish to appeal against the decision on application T353, you must notify the Planning Inspectorate of your intention to do so within 28 days of receiving this letter. The address is:
