You can now lease this attractive memorial from us for an initial renewable period of 15 years. Each vase block is made from natural material quarried and worked to give a lasting base for your memorial tablet.

Freshly cut flowers only can be placed in your own personal vase. The only proviso we make is that we reserve the right to remove dead flowers and dispose of them on your behalf so that the displays are always fresh and beautiful. **Please note that personalised pots/vases, artificial flowers, ornaments etc at any memorial or anywhere within the gardens are not permitted and will be removed.**

Your tablet, which is 190mm x 125mm is made out of polished granite. Space for approximately 70 letters (depending on the size of the letters and overall layout) should give you ample room for your inscription.

By providing this memorial for you, we hope that you will have a personal place where you can visit and place your floral tribute.

Inscription Guide for Vase Block Tablet

In order to ensure that an inscription will fit on to the granite tablet, please note the following information:

1. The name uses a larger typeface than the remainder of the inscription, therefore it may not exceed more than 15 letters including spaces, per line. This is indicated by the dotted line in the guide box below.
2. Lines not used for names may have a maximum of 20 smaller letters including spaces.
3. A maximum of 2 lines should be used for names. If a third line is required for names, line 6 cannot be used.
4. Do not forget to include the spaces in your inscription. A space counts as a letter or a number.
5. We will centre the text on the tablet. The guide box below is meant to help you ensure your inscription fits on the tablet.
6. The inscription must be clearly written in **BLOCK CAPITALS**. We are unable to accept responsibility for any incorrect inscription due to illegible or ambiguous writing.

Please write in **BLOCK CAPITALS** and leave spaces between words. A space counts as a letter or number.
