Dear Mr Hopkins,

Wildlife and Countryside Act 1981 - Section 53

Order Making Authority: Dorset Council

Title of Order: Dorset Council (A Byway Open to All Traffic, Beaminster at Crabb's Barn Lane) Definitive Map and Statement Modification Order 2020

Further to my letter of 15 May 2024, I can confirm that no comments have been received on the submitted statements of case.

The exchange period has now ended. The Inspector will now proceed to write his decision, but may decide to visit the site before doing so.

As previously advised, the purpose of a visit is to enable the Inspector to see the land to which the Order relates, the surrounding area and to note physical features such as stiles, gates, fences, walls, hedges and trees.

There is one formality about unaccompanied site visits that I should explain. As the exchange of written representations has been completed, the Inspector would not be able to discuss the case with anyone he meets. The Inspector would refuse any approach that is made. On this basis, could I ask you not to approach the Inspector if you observe him at anytime either before, during or after any such site inspection. Your help in this matter is greatly appreciated.

Yours sincerely,

***Helen Sparks***
