[REDACTED]

Dear Helen Sparks,  
re: Foot Path Eastham  
(D20502) to D20503)  
BRADFORD ABBAS

The parking would be a concern  
there are very narrow roads on  
3 sides of the site (the 4th being  
fields)

The other concern is that 5 of the  
properties are a business investment  
and front onto where the proposed  
foot path would go. They all have  
AHO

hot tubs and decking onto where  
this proposed foot path site.  
Repeat lettings may be affected  
by lots of people and dogs  
walking past in close proximity  
and staring at them.

Please take my points into  
consideration. I do not let my  
property.

RECEIVED

yours sincerely, 23 OCT 2024

D. O. W
