Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

All staff will be made aware of their responsibilities in relation to the sale of alcohol particularly with regard to drunkenness and underage persons.

b) The prevention of crime and disorder

All alcohol is consumed in an outside dining and takeaway location, which will reduce the likelihood of criminal activity.

Any incidents of a criminal nature that may occur on the premises will be reported to the police. Liaison with the local police community support officer also.

c) Public safety

All customers will be sat outside or option to takeaway - risk of external fire and harm to people is minimal and evacuation of the premises is therefor not applicable. However, a fire blanket and extinguisher is available inside the building.

The seated area is separated by car park bollards, providing protection and safe channels to exit and disperse.

d) The prevention of public nuisance

The licensee does not foresee any neighbour issues due to there being no neighbours within 3/4 of mile and only accessible by a dead-end road.

e) The protection of children from harm

The licensee and staff will ask persons who appear to be under the age of 25yrs for photographic ID, such as; proof of age cards, photographic driving licence or passport, official identity card issued by HM forces or by an EU country, bearing the photograph and date of birth of bearer.

All staff will be made aware of under age sales prevention regularly ie the challenge 25.

A register of refused sales shall be kept and maintained on the premises.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
