

## **Admission Arrangements for Chickerell Primary Academy 2024-2025**

This is Chickerell Primary Academy admissions policy which applies to statutory school aged children in mainstream schools. This policy commences for children applying to schools to start in September 2024 and should be read in conjunction with the Dorset Council Parent's Guide.

### **1. Admission of Pupils – General Principles**

- The School Admissions Code, legislative guidance including co-ordination, equal preference scheme and infant class size legislation are adhered to,
- The majority of schools serve traditional areas (catchments/communities) to ensure fair access. The school's catchment area is a geographical area defined by the authority following consultation with the governors and neighbouring schools and is available for parents to view on the Schools Website.
- Where possible, within the current constraints and legislation, children attend schools preferred by their parents,
- Every (Dorset Council) child will be allocated a place in an educational setting once an application is submitted,
- Admission arrangements are consistently and equally applied to all,
- Resources are used efficiently,
- Allocation of school places are made up to the planned admission number, in accordance with the oversubscription criteria.

### **2. Published Admission Numbers (PANs)**

All admission authorities must set an admission number for each 'relevant age group' and places will be allocated according to the published oversubscription criteria.

Chickerell Primary Academy has a Pupil Admissions Number of 60.

The school will exceed the admission number only where:-

- The last place within PAN is allocated to one of multiple birth siblings, then the other birth siblings will be admitted,
- Where an error occurs and the child should have been offered a place,
- A large group of families with children arrive in the area where it has not been possible to accommodate them within the normal allocation of places because of the short notice. If this is the case, the Local Authority will identify an appropriate setting to accommodate the children as quickly as possible,
- An unexpected event/incident occurs necessitating urgent/temporary placement,

- There is a need to comply with other agreed protocols, e.g. Children in Care, Fair Access, SEN Code of Practice and the Military Covenant

### **3. Admission of Pupils to School for the First Time at Age 4+/5**

#### **3.1 Statutory school age**

Children reach compulsory school age the school term following their fifth birthday. The start of term is defined as 1 September/January/April (this may not be the first day of term for the school being considered).

#### **3.2 Admission at 4+ for Reception**

An application must be submitted for every child to the Home Local Authority by the 15 January prior to the September that the child is to start school. This application is to be done through the Dorset Council Common Application Form available on the Dorset Council Website. Children are able to attend full-time in September of the year they are due to start school. Some schools offer a phased integration. Parents can request part-time attendance until compulsory school age is reached. This needs to be agreed with the Head Teacher of the school where a place is offered. Parents can also request deferred entry within the first academic year or until compulsory school age. A record of the deferment should be kept by the school and parent. The place is held and is not available to be offered to another child unless it is not taken up by the agreed date when it will be considered vacant. If this request for deferred entry goes beyond the start of the academic year, the parent will need to reapply for a school place in the next academic year for entry to year 1.

### **4. In Year Admissions**

These applications will be processed by the school or the Local Authority. Please contact the school for further information. A formal application must be made in all instances with relevant information attached to the application. Should a place not be allocated the parents have a right of appeal.

### **5. Admission of children outside their normal age group**

This section of the policy should be read in conjunction with Dorset Council Guidance on the placement of a pupil outside his or her normal age group. Normal age group refers to the year group in which the child would normally be according to their chronological age. The guidance is available on Dorset's school admissions website.

Applications for a child to be placed outside of their normal chronological year group will only be considered under the most exceptional circumstances. The placement of a child outside his or her normal age group is not an appropriate strategy for meeting special educational needs. This is in recognition of the significant and long term impact on children who are placed outside of their normal year group.

## **5.1 Decision Making Process**

Parents and carers wishing to request that their child be placed outside of their normal age group must do so through the Head Teacher of the pupil's actual or proposed school. Where the school is their own admissions authority the decision to place a child outside of their normal age group rests with the Head Teacher and governing body of the school that would be affected. Where Dorset Local Authority is the admissions authority for the affected school, the case will be considered by the local authority's In Year Fair Access Panel. This panel meets regularly during term time.

## **5.2 Admission above Normal Age**

Only in exceptional circumstances, where a child is outstanding in every respect, will a child be considered for admission early or above their normal year group. It will also only be considered through the agreement of the Head Teacher, in conjunction with other professionals, where they have identified exceptional medical, physical, social or/and educational reasons for this.

## **5.3 Back Yearing and Delayed Transfer**

There are instances when a child's overall best interests are served by delaying admission or remaining in the existing year. The social and educational implications of this must be considered. Such arrangements will be considered only if agreed or recommended by the child's Head Teacher and/or any other professional involved. Any decision will also be in line with the LA's 'Guidance on the Placement of a Pupil outside of his or her normal age group' and with the parent's agreement.

## **5.4 Admission/Transfer of Children Outside Normal Year Groups – PAN**

Where it is agreed that children can be admitted/transferred to a year group which is not the chronological year group, the application will be considered against the relevant school's PAN (not in addition) and the school's oversubscription criteria, along with all other applications received.

## **5.5 Delaying entry into Reception Year Group – Summer Born Children**

Where a child is summer born and parents wish to consider the delay of their child starting school in the Reception Class until after their 5<sup>th</sup> birthday will have to discuss this directly with the Head Teacher and/or the Admission Authority of the proposed school. These requests will be considered on a case by case basis and with reference to the 'Guidance on the Placement of a Pupil Outside his or her Normal Age Group'.

If a parent applies for a reception place to be taken up after the child's 4<sup>th</sup> birthday and is allocated a place in the normal transfer round and then subsequently wishes for their child to enter the school in reception after their 5<sup>th</sup> birthday – they will have to make a new application in the next application year and surrender their current place. Their application will be considered afresh and

no guarantee will be given that they will get a place at the same school in the subsequent allocation as it will be subject to the relevant admissions code and the overall number of applications.

## **6. School Transport**

Details about school transport are provided in the Dorset Council Home to School Transport Policy. Advice is also provided in the Policy and Parents' Guide to ensure parents, guardians and carers are aware that their preference of school and the admissions criteria will affect their entitlement to 'free' school transport. This includes later changes (e.g. change of address) which could have a bearing on continued eligibility for school transport.

## **7. Withdrawal of School Places**

Places will only be withdrawn where:

- A place has been offered in error by the admission authority and the affected child/ren have not yet started at the preferred school,
- A place has been offered on the basis of a false, fraudulent or deliberately misleading application. The place will be withdrawn if the case has been identified by the first October half-term following admission,
- The place has not been taken up by the specified date – the parent will be contacted in advance of the withdrawal of a place,
- The place has been declined by the parent.

## **8. Waiting Lists**

The school operates a limited waiting list policy. Parents can apply to have their child's name placed on a waiting list for a period of one term following refusal. If parents wish to keep a child on a waiting list beyond this term they will need to write in for an extension. There is no guarantee of a school place by remaining on the waiting list.

## **9. Appeals**

If the school is unable to offer a place at a school that has been applied for, the parent has the right to appeal to an independent Appeals Panel. The decision of the Panel is binding on all parties and where parents succeed with their appeal, the place at the school originally offered by the LA will be automatically withdrawn.

The appeal can be made through Dorset Council and details of how to do this are on the [link](#):

## 10. Oversubscription criteria

The admission of children with Education Health & Care Plans and Statements of Special Educational Needs is covered by Sections 324 to 328 of, and Schedule 27 to, the Education Act 1996. Guidance on the Admission of EHCP and Statemented pupils is given in the Special Education Needs Code of Practice.

- Where all parental preferences for places at the school can be satisfied, all children seeking a place will be admitted.
- Where there are too few places available to satisfy all preferences, places will be allocated according to the following priority order:-
  - i) A “Child in Care” or who was “previously a Child in Care” (see footnote 1) ii) Children who the authority accepts have an exceptional medical or social need and where there is a need for a place at one specific school (see footnotes 2,3).
  - iii) Children living within the school’s catchment area who will have a sibling(s) attending the school at the time of admission. (see footnote 4)
  - iv) Children living within the school’s catchment area.
  - v) Children living outside the school’s catchment area who will have a sibling(s) attending the school at the time of admission. (see footnote 4,6)
  - vi) Children living outside the school’s catchment area and whose parents wish them to attend a CE Voluntary Controlled school on denominational grounds. (see footnote 5) vii) Children of staff with at least two years continuous service at the school or who have been recruited to a vacancy to meet a demonstrable skills shortage as at the date of application (in year) or relevant closing date under the LA co-ordinated scheme (normal year of entry) and who still intend to be employed at the school at the time of the child’s admission. (see footnote 7)
  - viii) All other children living outside the school’s catchment area.
- If oversubscribed within any of the priority order categories above, places will be allocated on the basis of the shortest straight-line measurement using a geographical information-based system which identifies an Easting and Northing for the home address and the school and calculates the distance between the two locations. NB. School transport is based on walking and driven distances.
- In the event that the school is unable to distinguish between applications despite applying the priority categories above, lots will be drawn by an independent (of the Admissions Authority) person to determine the final place(s).
- Where applications are received from families with multiple birth siblings and by adhering to PAN these siblings could not both be offered place at the school, the admission number will be exceeded to accommodate the multiple birth siblings. This is not an indication that schools can exceed the admission number other than under these exceptional circumstances.

## Footnotes

1. A “Child in Care” means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was “previously a Child in Care” means a child who after being Looked After became subject to an Adoption Order under Section 46 of the Adoption and Children Act 2002, a Child Arrangement Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989.
2. Applications will only be considered under this category if there is evidence provided such as a Child Protection Order, Children in Need document or a written statement from a doctor, social worker or other relevant independent professional. The information must confirm the exceptional medical or social need and demonstrate how the specified school is the only school that can meet the defined needs of the child.
3. The term ‘sibling’ means full brother or sister, half or step brother or sister, adoptive brother or sister and other non-blood related children who live with married or cohabiting parents in the same household and relates to all year groups provided by the school. In the case of an infant school the sibling link will apply to the related junior school and vice versa.
4. This does not include independent schools, pre-schools or nurseries.
5. In order to qualify for consideration under this category, parents/guardians will need to show that at least one adult family member and the child to whom the application relates to have been attending their local church at least once a month for a minimum of a year prior to the closing date for applications. A Supplementary Information Form must be filled and submitted to the school by the National Closing Date (31<sup>st</sup> January).
6. The term ‘children’ includes full, half, step, adopted and those non-blood related but resident through marriage, civil partnerships or single family co-habitation arrangements at the time of application or deadline.
7. Staff are defined as all employed teaching and support staff at the preferred school. ‘Children of staff’ refers to situations where the staff member is the natural parent, the legal guardian or a resident step-parent. If applicants wish to be considered under this criterion then a letter from the Headteacher confirming the above applies to the applicant must be provided at the time of application.

Failure to provide sufficient evidence will result in the application being processed against the next highest criteria.
