Comments:

I reject this plan.

It is factually incorrect.

There is a need and a desire for housing in Tincleton. This view has been voiced on numerous occasions throughout this process and ignored by those involved, just because it goes against their own opinion.

The parish councillor for Tincleton has ignored the residents in Tincleton who have repeatedly called for reasonable growth (for example 1 house build every 2 years).

This has been a corrupt process and a misuse of local council funds.

The proposal is for development in West Kingston. This is 5 miles from Tincleton! This plan will only ever be valid if you provide reasonable growth in each and every village involved.
