

Get Active Outdoors 2025

Discover local activities to help you move more

Walking, cycling, running, orienteering, nordic walking, golf and more

Welcome

This year's **Get Active Outdoors Guide** provides opportunities for you to move more outdoors in areas across Dorset.

The aim of our programme is to help inactive people take their first steps towards better health, wellbeing and happiness. When it comes to exercise, you can't beat getting out and about in the fresh air!

Health and Activity Team, Place Services
Dorset Council

Move more, feel the difference

Regular exercise can help improve our health and wellbeing.

How much is enough?

To keep healthy, experts recommend:

Children should aim for 60+ minutes of moderate intensity aerobic activity each day. This can be achieved by; walking to school, playing in the playground or riding a scooter.

Adults should aim for at least 150 minutes

of moderate intensity activity, in bouts of 10 minutes or more, each week. This can also be achieved by 75 minutes of vigorous activity across the week or a mixture of moderate and vigorous.

Benefits of exercising outdoors

Exercising in an outdoor environment can improve mood, reduce levels of depression, reduce stress, lower blood pressure and heart rate.

What better reason to get out there and enjoy the beautiful countryside that Dorset has to offer!

What does moderate activity mean?

Moderate activity will raise your heart rate and make you breathe faster and feel warmer. One way to tell if you're exercising at a moderate level is if you can still talk but can't sing the words to a song.

Improve Balance

For older adults, to reduce the chance of frailty and falls, undertake at least two days a week of activities such as; Tai Chi, Dance or Bowls.

Build Strength

To keep muscles, bones and joints strong, all adults should undertake muscle strengthening activities at least twice a week, such as:

Nordic walking

Nordic walking is an enhancement of ordinary walking. It can be done by anyone and when trained in the right technique to use the poles effectively, it increases use of the upper body and enables you to work harder but it feels easier!

For more information about nordic walking, including other local walks, visit: britishnordicwalking.org.uk nordicwalking.co.uk

Free nordic tasters

These free taster sessions will give you the opportunity to 'have a go' at nordic walking before booking onto a Get into Nordic Walking course if you wish.

Exploring Dorset's stunning coast and countryside

Living in Dorset, we have over 4,000K of public rights of way that allow you to explore and enjoy Dorset's stunning coast and countryside!

Many, you will find, are close to where you live enabling you to get out and about straight from your doorstep. The rest you can travel to and use to venture further afield.

Follow this link and navigate the panels to discover more about public rights of way, what you can do on the different types of paths and how to enjoy them responsibly, short and long routes already designed for you to follow and an interactive map for you to design your own routes

dorsetcouncil.gov.uk/countryside-coast-parks/rights-of-way.

Don't forget to dress appropriately, respect land management practices such as farming, forestry and conservation and respect other people you meet on your travels. Please read the Countryside Code for more information **gov.uk/countryside-code** and check out public transport links when planning your adventure to see if you can avoid having to use the car!

Active volunteering opportunities

Volunteering is a great way to keep yourself active as well as helping others. There are so many health benefits to volunteering, from feeling part of something special, to making new friends and being active yourself. Here are a number of volunteering roles available across Dorset Council area.

Health walk leader

As a volunteer walk leader, you'll be helping people in your community to get active. As part of this role, you would be required to plan routes, support walkers and to love walking yourself. You don't need any particular experience, but we love our volunteers to be friendly and welcoming. Visit our website for training dates:

➤ dorsetcouncil.gov.uk/dorset-health-walks

Get back in the saddle leader

A get back in the Saddle leader is very similar to a health walk leader, apart from the fact you need a bike! This role would require you to have a love of cycling, want to help others get active and enjoy being out in all weathers. The training will be both theory and practical and is an in house qualification. Visit our website for training dates:

➤ dorsetcouncil.gov.uk/health-and-activity

Accessible cycling

There are various roles for an accessible volunteer, from leading rides, meet and greet and bike maintenance. These roles will depend on which location you volunteer at and how involved you would like to be.

If you would be interested in becoming a volunteer in any of these roles please get in contact with the Health and Activity Team.
