

STURMINSTER MARSHALL NEIGHBOURHOOD PLAN

2023 - 2033

Information Statement about the neighbourhood plan referendum

Key points

- A referendum will take place on **Thursday 29 August 2024**
- It will take place in the parish of **Sturminster Marshall**
- The referendum concerns the proposed **Sturminster Marshall Neighbourhood Plan**

Background

In England, planning applications are determined by local planning authorities such as Dorset Council. Planning decisions are made in accordance with the adopted development plan unless material considerations indicate otherwise. A development plan sets out the planning policies for the development and use of land. The development plan consists of local plans and (where relevant) neighbourhood plans.

At present, the **Christchurch and East Dorset Local Plan Part 1** is the starting point for considering planning applications in the parish of Sturminster Marshall. It is available from: <https://www.dorsetcouncil.gov.uk/planning-buildings-land/planning-policy/adopted-local-plans/east-dorset-and-christchurch-adopted-local-plan>

Neighbourhood planning was introduced by the Localism Act 2011. It aims to help local communities play a direct role in planning the areas in which they live and work. If a neighbourhood plan receives a successful referendum result, it becomes part of the development plan for its area and is used to help determine planning applications.

The **National Planning Policy Framework** must be taken into account in the preparation of local and neighbourhood plans, and is a material consideration in planning decisions. It is available from: <https://www.gov.uk/guidance/national-planning-policy-framework>

The **Local Development Scheme** contains information on development plan documents that are being prepared by Dorset Council. It is available from: <https://www.dorsetcouncil.gov.uk/dorset-council-local-plan>

About the proposed Sturminster Marshall Neighbourhood Plan

Preparation of a neighbourhood plan for Sturminster Marshall began in 2019 with the formation of a steering group. The parish council consulted on a draft neighbourhood plan between 16 June and 28 July 2023. The plan was then revised in response to the consultation and submitted to Dorset Council in December 2023. Dorset Council consulted on the submitted plan from 19 January 2024 until 1 March 2024.

An independent examiner, Andrew Mead BSc (Hons) MRTPI MIQ, was appointed to examine the submitted plan. The examiner issued his [report](#) in May 2024. It concludes that he was satisfied that the plan meets the basic conditions and recommends that it should, subject to some changes, proceed to referendum.

Dorset Council considered the report and issued its decision, which was in agreement with the examiner's findings, and therefore the plan should proceed to referendum.
