Subject: RE: Planning Inspectorate ROW/3314535: Footpath 51, Ladock Terrace, DT1 3AW

Dear Helen

Further to your email below and attached documents, the OMA would like to make the following comments on the proposed modifications.

The Inspector proposes to modify the Order as follows

'I note that the Order states it is made under section 53(2)(a) of the Wildlife and Countryside Act 1981 (the 1981 Act), wherein it should have stated 53(2)(b). I consider this is likely a typographical error and it makes no difference to the understanding of the Order. The Order and the accompanying papers are clear upon the grounds and legislation under which it is made. Should the Order be confirmed I will modify it accordingly.'

The Order in fact states that it is made under section 53A(2), not section 53(2)(a) as set out by the Inspector above. The OMA does not believe that this is an error and therefore the Order should not be amended.

Officers support the modification to the route as this adds to the public enjoyment and convenience of the new route.

Kind Regards

Rebecca Buck
