The Great Dorset Chilli Festival is a specialist food festival held in the parkland known as Stock Gaylard Deer Park, which surrounds Stock Gaylard House. The event area is set in a large acreage of privately owned agricultural estate in a rural area, only easily accessible by motor vehicle. Access points onto the estate are managed by the organisers. The event area is in the main part shielded by woodland from the road.

Since the event area is a flat field the licensable activities are to be held inside temporary marquees erected for use during the event only. Marquees are erected by a professional, insured contractor.

Alcohol: the majority of alcohol will be from professionally run beer (x1) and cider (x1) tents, and drinkers tend finish their drinks in these areas. Some caterers may serve alcohol with food. Some traders will do off-sales of alcohol.

Music: live music performances will made from a music tent, which will be of sufficient size to cover the band and their equipment only. Although the music will be amplified, any audience will be outside the tent but in the immediate vicinity, and beyond that the music is incidental. There may also be a trio of wandering minstrels, who perform only to those in their immediate vicinity.

Performance of Dance: there may be occasional performances of dancing in open areas throughout the site.

This licence application applies to the event known as the Great Dorset Chilli Festival only, intended to be annual event taking place on one weekend each year in either late July or August at Stock Gaylard.

The attached plan demonstrates the area we wish to be licensed.

The licence applicant has submitted to the Saftey Advisory Group an Event Management Plan for that event. The Event Management Plan includes:

- Event outline and Key Details
- Site Plan

- c. Activities onsite and control on activities
- d. Emergency Response Procedures
- e. Noise Management Plan
- f. Risk Assessments
- g. Venue and Bar Operating Times
- h. Security and Crowd Management

- p. Alcohol Sales & Management Plan
- q. Drug and Alcohol Policy to include search policy & Control

All licensable activities at each event will take place in accordance with the relevant approved Event Management Plan which will act as the operating schedule for the premises.

The final approved Event Management Plan will be given to the Licensing Authority and the responsible authorities at least 5 working days prior to the event and made available upon request to the Safety Advisory Group. Any change, or any deviation from the plan during the event, will only be made in exceptional circumstances and is to be approved in advance by the Licensing Authority and the relevant responsible authorities at an Event Control Meeting.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Ample trained stewards, paramedics and security to manage traffic and visitors. Full event management plan in place, emergency procedures plan and risk assessment. Emergency services and other relevant departments to be fully briefed about the event via the Safety Advisory Group. Constant monitoring of the licensing objectives and appropriate steps taken should they be required.

Condition: the premises licence application applies to this one event which will take place one weekend per year to fall between mid-July and mid-August. Usually takes place on the first weekend on August, but occasionally this may need to be rescheduled.

b) The prevention of crime and disorder

Controlled access to site starts at the entrance to the estate as cars arrive, then in car park, then ticket gate and event site. Car parkers and stewards in radio contact will constantly keep an eye out for trouble. Ample trained staff and SIA security on patrol throughout the site. Zero tolerance drugs policy. Traders briefed to make sure their takings are secure.

c) Public safety

Ample trained staff will manage evacuation to muster points if necessary. Staff in hi-viz include first aiders, paramedics, security (SIA), stewards, car parkers. Staff are trained and briefed beforehand. Access route for emergency vehicles. We operate a one-way system for traffic management. EMP is submitted annually to the Dorset Council Safety Advisory Group. Risk assessments in place. Fire points with extinguishers.

d) The prevention of public nuisance

Traffic will be managed to prevent delays on public roads by trained staff in hi-viz with radio contact to colleagues. Car parks (on grass in fields) are managed so that cars should not need to queue on the road.

Noise levels from amplified music will be managed and limited, The live music is secondary to the food aspect of the event and will not cause a nuisance.

The event site is in a remote rural location surrounded by acres of private land.

e) The protection of children from harm

This is billed as a family friendly food event, so children will be present but due to the remote rural location they are most likely to be accompanied by adults. Children should be kept out of bars, and bar staff will adopt the Challenge 25 and reserve the right to refuse to serve someone. Stewards will be alert for lost children, we have a clearly signed Lost Child meeting point and operating procedures should this occur (see EMP). Entrances and exits to/from estate will be staffed.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

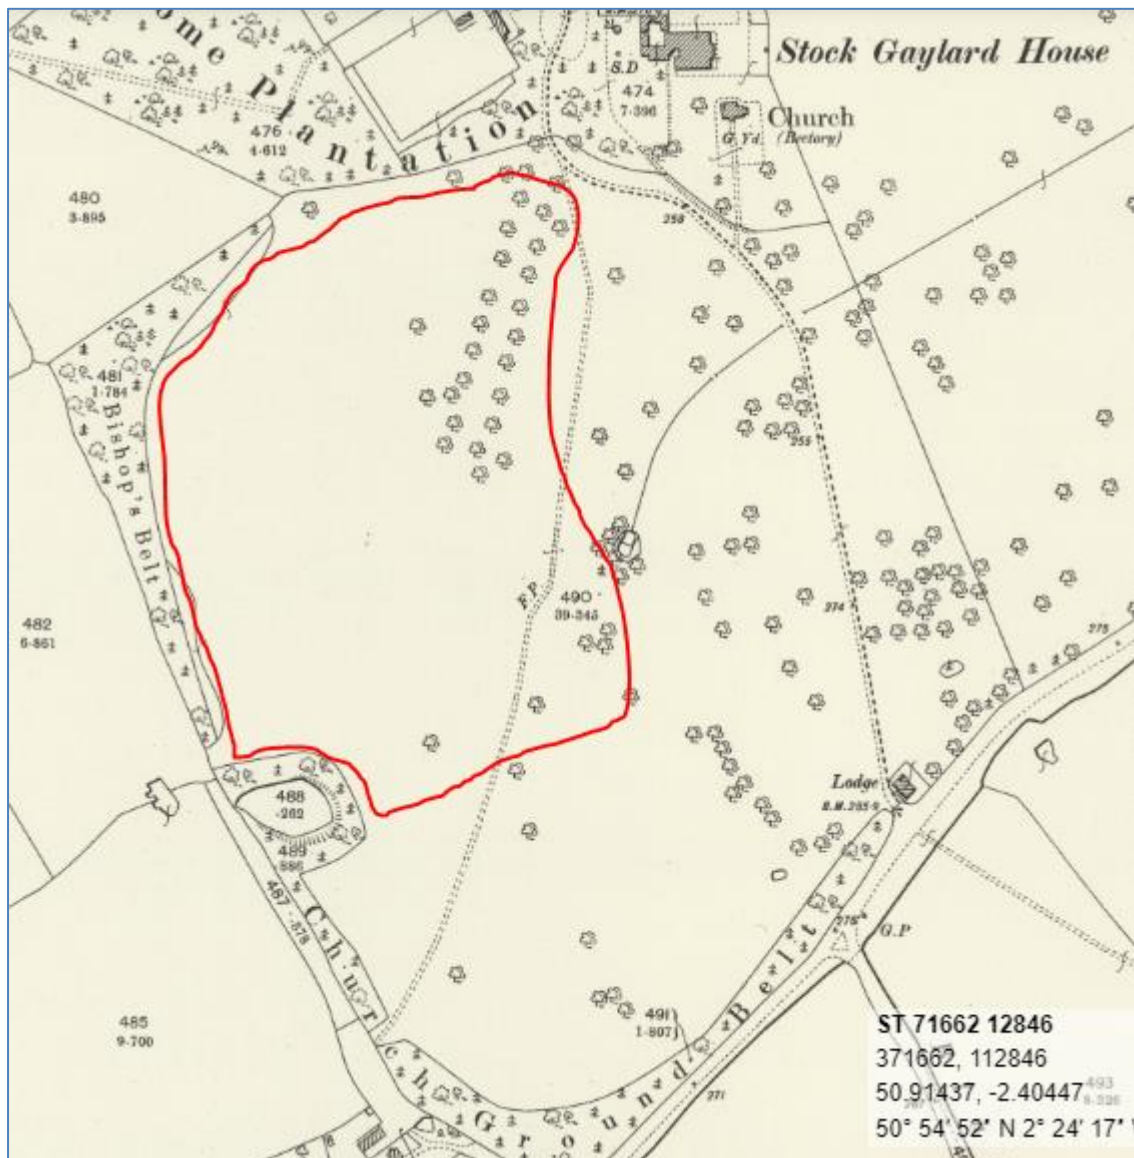

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
