Dear Helen

I would like to object to the proposed change in the Bridleway 5 Coombe Keynes leading up to Claypitts Lane to Restricted Byways DMMO 2011

I have lived at Claypitts Farm for 44 years and feel that the change to the Bridleway would impact on the peace and quiet surrounding my house. Constant noise and disturbance by vehicles is detrimental not only to the wildlife but to my mental health. There is simply no need to open up this Bridleway to vehicles whether four wheeled or two wheeled,

I run a small jewellery manufacturing business using precious metals and having vehicles driving up and down Claypitts Lane would compromise my security as it would provide a quick access and easy exit being a through road.

To recap - I thoroughly object to this change in the Bridleway and wish to have my objection received and taken into consideration.

Best wishes

Harriet
