You don't often get email from. [Learn why this is important](#)

Dear Helen,

With ref to bridleway 9 Winfrith Newburgh,

There has been some confusion with this bridleway over the last few years as we guess the landowners rerouted the path for horse riders to follow.

At point C on your map the rerouted path follow the hedge instead of going across the middle of the field and then continues south of the designated path across all the field then into Coombe wood.

Is this route to replace the original one ? to begin with it was signed as a public bridleway and now lately they have marked it as permissive and charging for the use.

Are you routing the bridleway back to the definitive one ? in which case we don't understand why F has been deleted.

we would only object to this proposal if we didn't have a public route that takes us for Claypits farm to Coombe Woods, as we have ridden this bridleway for the last 50 years together.

We look forward to hearing from you on this matter.

kind regard
